## **Special Note for Unsterilized Cats and Kittens**

If the cat you adopt weighs less than four pounds, it will not be sterilized (spayed or neutered) before adoption. You will be required to bring the cat back to La Crescent Animal Rescue to be sterilized once it reaches four pounds. In order to secure this commitment, you will be asked to write a check for \$100, in addition to any adoption fees. This check will be held by La Crescent Animal Rescue until the cat has been returned for sterilization. The check will then be returned to you.

La Crescent Animal Rescue is a strong supporter in spaying/ neutering cats and dogs. Between 6-8 million cats and dogs enter shelters in the US every year. Approximately 3 million of these animals end up being euthanized due to lack of homes for them. About 80% of these euthanized cats and dogs are healthy. If you currently have or have had a pet(s) that you do not or did not spay or neuter and would like to adopt a cat or dog from us, your application will in all likelihood be turned down.
